Targeting Series

Another popular range is the Targeting series.

Suitable for use in schools Australia-wide and written by experienced educators, the Targeting range is specifically designed for primary school students and teachers, Years K/Prep-7 (ages 5-13). Covering English, Handwriting and Maths, this range addresses all key learning areas of primary literacy, numeracy and handwriting.

This range includes Student Workbooks, Teaching Guides and Teacher Resource Books, Posters, Apps, and much more, all fully cross-referenced with Australian Curriculum and state syllabus outcomes.

Individually, titles in each series are perfect for use by students and teachers in-class or for at-home learning. When used together, they represent a targeted program aimed at developing the key primary skills required for a sound education.

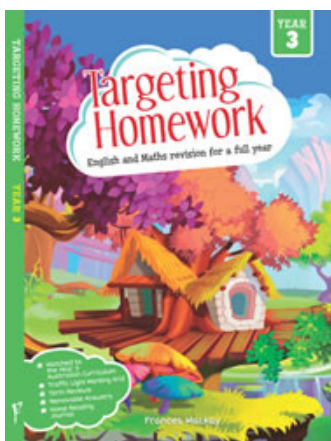

Targeting Homework

The Targeting Homework activity books provide Maths and English revision of the Australian Curriculum for Years 3, 4, 5 and 6.

Each book contains 32 weekly units (8 per term) with activities in: Grammar & Punctuation, Phonic Knowledge & Spelling, Comprehension & Reading, Number & Algebra, Statistics & Probability, Measurement & Geometry and Problem solving.

Each book also features: Traffic Light marking system, Term Reviews, Reading Review segment and answers for all activities.

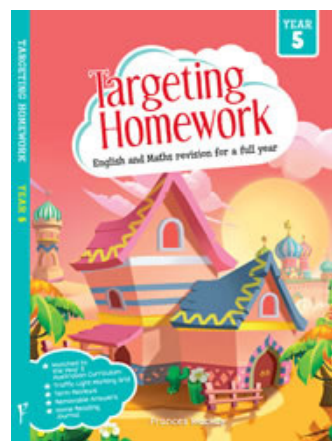

Each book delivers basic instruction on grammar conventions appropriate to the year level. The activities provide a step-by-step process towards achieving knowledge and understanding of the elements of grammar and their practical application.
